

The Dark Knight (2008)

Production Studio: Warner Bros. Pictures

Main Cast: Christian Bale, Heath Ledger, Aaron Eckhart

Crew: Director: Christopher Nolan | Writer: Jonathan Nolan, Christopher Nolan | Music: Hans Zimmer

Complete Story: Batman teams up with Commissioner Gordon and Harvey Dent to eliminate organized crime in Gotham City. Their efforts are challenged by the Joker, a chaotic criminal mastermind who seeks to prove that anyone can become corrupt. Through psychological games and violent acts, the Joker pushes Batman to his limits. Harvey Dent's tragic transformation into Two-Face highlights the cost of heroism, while Batman takes responsibility for crimes he did not commit to preserve hope in Gotham.
