

Interstellar (2014)

Production Studio: Paramount Pictures / Warner Bros.

Main Cast: Matthew McConaughey, Anne Hathaway, Jessica Chastain

Crew: Director: Christopher Nolan | Writer: Jonathan Nolan, Christopher Nolan | Music: Hans Zimmer

Complete Story: In a future where Earth is becoming uninhabitable, former pilot Cooper joins a mission through a wormhole to find a new home for humanity. Time dilation, sacrifice, and love shape the journey. Cooper's daughter Murph ultimately solves the gravity equation using data he provides, saving humanity. The film explores science, emotion, and the bond between parent and child.
