

# Fight Club (1999)

**Production Studio:** 20th Century Fox

**Main Cast:** Brad Pitt, Edward Norton, Helena Bonham Carter

**Crew:** Director: David Fincher | Writer: Jim Uhls | Music: The Dust Brothers

**Complete Story:** An unnamed narrator suffering from insomnia forms an underground fight club with the charismatic Tyler Durden. The club evolves into a radical anti-consumerist movement. The narrator eventually discovers that Tyler is a manifestation of his own fractured mind. He attempts to stop the chaos while accepting his identity, highlighting themes of masculinity and modern alienation.
